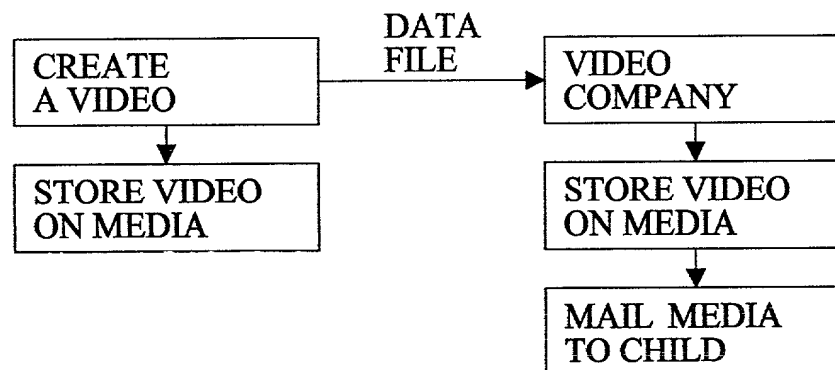

FIG. 8

FIG. 9

A high-contrast, black and white photograph showing a dense, textured surface, possibly a rock face or a large pile of debris. The upper portion of the image is filled with a complex, chaotic pattern of light and dark areas, suggesting a rough, uneven surface. In the lower foreground, there is a dark, rounded object, which appears to be a large rock or a piece of equipment, partially obscured by the surrounding texture. The overall image has a grainy, high-contrast quality, typical of a photocopy or a low-quality scan.
